trails and current condition

Fat Bike Etiquette

1. Fat Bikes Only – No Mountain Bikes.
2. Minimum tire tread width is 3.7".
3. Ride only on trails assigned for biking.
4. Yield to all other users when riding. Skiers don't have brakes but you do!
5. Ride on the firmest part of the track.
6. Allow the track time to set up after grooming and before riding.
7. Do not ride on or in the classic ski tracks.
8. Leave room for skiers to pass (don't ride side-by-side with all of your buddies blocking the full trail).
9. Be an ambassador for the sport: stay polite, educate other riders, discourage bad behavior and follow the rules.
10. Leave Fido at home. Dogs are not allowed on the trails.
